We're on the edge of something exciting here at Stoughton High School. Maybe it's because we can sense the dawning of a new millennium filled with promise. Maybe it's because the 2000 Stotonian is full of original new ideas, including representation from all four grades. Whatever the reason, we know one thing for sure...for us, It's All About Time.

A Timeless Classic...

Life isn't about keeping score.

It's not about how many friends you have

Or how accepted you are.

It's not about if your hair is blonde, red, black, or brown.

But, life is about who you love and who you hurt.

It's about keeping or betraying trust.

It's about friendship, used as a sanctity or a weapon.

It's about carrying inner hate and love, letting it grow, and spreading it.

But most of all, it's about using your life to touch or poison other people's hearts in such a way that could have never occurred alone.

Only you choose the way those hearts are affected and those choices are what life's all about.

“It was the best of times...it was the worst of times...” - and so the old story goes. Just as Charles Dickens’ characters had their ups and downs, so do the students of Stoughton High School.

Stotonians have a wide range of interests, from listening to music to creating it, and from writing stories to reading them. So don’t worry about us...we have plenty of things to fill our time!

Times to Remember

Friends Play a Major Role in Our Lives

If you are sad, friends cheer you up. If you are nervous, friends encourage you. If you need a helping hand, friends are there to comfort you.

Especially at the age of being a teenager, you experience a lot of changes, and in some of them, you need someone to be there with you. Friendship is a very strong word. Everyone has at least one friend. No matter if it is a pet, someone across the country, or the person sitting behind your shoulder, they are there to help you and guide you through the tough times in life. So cherish the times you have with your friends, memories are being made quicker than you realize.

A Sign of the Times

Trends at Stoughton Change Every Day

Trends at Stoughton High School change every day. It seems as though fashion, hairstyles, music, and hang outs change weekly. Whether you come to school in Abercrombie and Fitch or Fubu, fashion plays a major role throughout the hallways. Both hairstyles AND colors differ. Also, all types of music are represented here, from Method Man and Puffy, to Korn and Limp Bizkit, to Backstreet Boys and Britney Spears. Where do we dream up our newest look, experiment with the latest hairstyle, or pass along word of the coolest new CD? You can find us in a variety of places, from the mall to the basement of a friend's house. What advice should you give your parent when you tell them about the tongue ring you're thinking of getting? Just tell them what we at Stoughton High School already know...trends are truly a sign of the times.

Students Take Advantage of A Wide Variety

Do I want a warm slice of pizza, or a fresh turkey sandwich? So many choices, so little time to spare. Lunch is a very important and enjoyable part of the day. As kids grow into adults, they get hungrier by the minute, so the students have to have food in their stomach to make them energetic and happy. The food at Stoughton High School isn’t bad at all. It ranges from a variety of junk foods such as potato chips, to warm and juicy cheeseburgers. The back room where we buy our lunches is crowded with eager students at every lunch. Many have to barge through to finish by the time lunch is over. Teenagers love to talk. Since we don’t have class with every single one of our friends, we spend our lunch time talking to friends about the latest gossip, or speculating about what will happen at the party this weekend. After socializing and eating, some UNNAMED students throw their books on the table and finish up the homework they “forgot” to do last night. According to many students, lunch is their favorite time of the day. Now what should I have? Pizza, or a sandwich...?

Although We're Used To Our Routines, A Lot Of Exciting Stuff Happens Within The Classroom Walls

Above: Kyle Hudson and Matt Farwell work together on a class assignment.

Above Right: Denae Phillips studies her Social Studies.

It's 7:45 on Monday morning, and you can barely keep your eyes open. You were up late the night before doing your homework, talking on the phone, watching T.V., or for whatever other reason you didn't get your Zzzzzzz's! You have to find the energy to make it through the day.

As your first class begins, you're beginning to wish you hadn't skipped that bowl of Froot Loops, and you're already looking forward to lunch. You stare hopefully at the clock, anticipating the bell. Although your teacher is waving his hands and trying to make German Unification as exciting as possible, staying focused is a task. Your mind is still lingering on the latest gossip from the weekend. You attempt to take notes well, but they are interrupted by the extensive doodling now covering your notebook.

Does this sound familiar? As much as each day seems like the previous one, a lot of exciting stuff happens in the classroom, from bridge building, to current events, to reading that classic novel, to learning another language.

Timing Is Everything...

"Homework? Uhh, it's in my locker? Yeah, and my alarm didn't go off, and my head hurts...Can I go to the Nurse? Those are just some of the excuses heard everyday. Although using them doesn't *usually* help very much, sometimes students can get away with things. But for some unknown reason, homework always runs away, alarm clocks break every morning, and the nurse's office gains more visitors, and excuses, everyday. Now, why go to the Nurse's office? Well, would you rather be able to talk to your friends, use a private bathroom, be fully taken care of, and lie down on a bed and possibly sleep...or go to class? I think you get the picture. But even if you get away with an excuse, remember; excuses are not a way of living, they are only a brief recess from school and life. Well, I was supposed to write more, but...my head kind of hurts.

- It's difficult at times, but I try not to let the little things bother me - mutual respect is far more important than a list of rules.

Do you think teenagers are misunderstood?

- with sensitivity you can begin to understand his or her perspective on life.

Learning

Learning isn't easy...

Frustration tends to set in quickly.

You hurt.

You feel defeated.

You want to give up - to quit.

You want to walk away and pretend it doesn't matter.

But you won't,

Because you're not a loser -

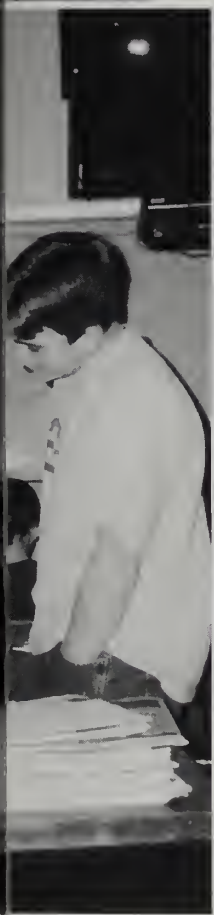

You're a fighter...

We all have to lose sometimes before we can win,
we have to cry sometimes before we can smile.

We have to hurt before we can be strong.

But if you keep on working and believing,
you'll have victory in the end.

A Senior's Life: Someone Has To Do It!

Think A Senior's Life Is Glamorous? See For Yourself...

6:00 a.m. Alarm clock goes off. Roll over, hit the snooze button. Going to breakfast sounds pretty good. Zachary's? Sure.

9:58 a.m. Pull into the middle school parking lot. Oh, wonderful, now I have to trek up this mountain to get to school. Now I know why some people deprive themselves of sleep to get Senior parking. I should have just parked in the teacher's lot. Yes, grade twelve please. What hour is it anyway?

10:05 a.m. Third Hour. What is this lady talking about? I can't understand this class. Can I go to the bathroom? I can't wait until lunch. I'm so hungry, hope I don't have third lunch. A307 next? Why did I even come to school? Mrs. Poillucci, can I go to the bathroom? Number seven for the bathroom pass? Oh, that's cool.

Senior Friendships

Childhood Friendships Withstand The Test Of Time

Does anyone remember their first day at the Hansen School? How about going to each other's tenth birthday parties, or playing little league, or learning how to drive together? How long ago was it the first time you and your best friend swore you'd never speak again, only to break down and call each other the next day? Do you still have the sweater you borrowed from your friend in Eighth grade? There were endless dance recitals, The prom, Halloween nights, semi-formals, and football games. Through it all, we've seen each other grow up, and now we're about to move on. But just because we won't see each other every day doesn't mean we won't stay in touch. The Class of 2000 has been through too much together to let that happen. So, make sure you all sign each other's Yearbooks and give everyone your new address. After all, you never know when you'll need to swap those great skirts you bought together at the South Shore Plaza...

Hammer Bang Those Nails In!

Senior Women Triumph In Powder Puff Classic

All throughout November, we had been hyped up for this day, and it was finally here. The propaganda from the pep rally had us pumped to beat Canton. As we walked onto the field, the determination gleamed from our eyes. Our offense, led by quarterback Maura Cancelleri, was kept safe by her linemen, especially Loraine Rogers, whom no Canton girl dared challenge. Denise Carlucci's lightening quick speed set the tone. Melanie Whittaker ran almost the full length of the field to secure the game. Canton never scored on our defense, led by Magda Nowakowska and Nikki Muradian. Lisa Sahagian and Heather Mahoney kept the enemy from escaping down the sidelines. Each time a flag was ripped, we'd congratulate each other, or do the Melanie Barros Dance of Victory! Supported by great plays from Tonya Lewis and Laura Ewald, the final score was 14 - 6. On that day, we came together as a class, and a school, and enjoyed our moment of glory.

"How did it get so late so soon?/ It's night before it's afternoon./ December is here before it's June./ My goodness how the time has flown./ How did it get so late so soon?" -Dr. Seuss That's my quote, even though it's not original, but keep in mind Dr. Seuss was a genius. I recommend re-reading his books.

Scared and excited, our Freshman year began in September, 1996. We were overpowering during our first Spirit Week, surprising the upperclassmen with our spirit. Before we knew it, high school was half way over; we never imagined two years going by so fast. As upperclassmen, we emerged as stars on the field and court, the students others looked up to. Our Prom, "Remember Me This Way," was held at the Taunton Holiday Inn. After a night of dancing, pictures, and fun, Tara Peters and Steve Brown were named Prom King and Queen. As Seniors, we have continued with our winning traditions, sweeping Spirit Week, and crushing Canton in both Powder Puff and on Thanksgiving Day.

From Chess Club to Student Council, Marching Band to Peer Mediators, and National Honor Society to The Knight, there are a variety of options to choose from. Don't believe anyone who says they don't have anything to fill their time...just take a look at our halls after school to find them!

Marching Band & Color Guard

Our Hard Work Brought In Many Kinds Of Rewards

The road to "Nutville" began long before thoughts of school had crossed the average student's mind. In the sweltering heat of August, The Marching Black Knights Band and Color Guard began our treacherous journey to the State Finals. Along the way, we encountered many obstacles, including three rewrites of the show and countless near-broken spirits. Yet we moved on, unrelenting. By the end of the season, all the hard work had resulted in two gold medals, two silver medals, awards for best music, percussion, and color guard, three first-place finishes, a silver medal at the State Finals, and a sense of pride in knowing that, if given the chance, every member would do it all again.

In The Net!

The Varsity Girls and Boys Soccer Teams had high expectations for the year. Both teams' exceptional spirit, effort, and determination made for more success than anyone could have predicted. The teams went into every game with a positive attitude and a desire to compete. Each individual showed sportsmanship and class on and off the field, especially when circumstances made it a challenge. The teams' Seniors provided the younger players with leadership and experience which will surely be beneficial in years to come. For the Girls, the team's Seniors included Katie Bell, Maura Cancellieri, Stacey Dovale, Kim Fahey, Christine Melo, Magda Nowakowska, Lisa Sahagian, Mel Whittaker, and Amy Viera. For the Boys Team, leadership was provided by Victor Ventura, Keith Wilson, Chris Yong, Rob Rocha, Jason Cantor, Dan Schechter, Javier O'Neil-Ortiz, and Jeffrey Manczuk.

Setting Goals

Season highlighted by trip, game in Martha's Vineyard

Record-wise, the Varsity Field Hockey Team was not very successful, but in term of heart and passion, they were undefeated. The team's overall record was 0-15-3. Led by senior Captains Nikki Muradian and Jennifer Ferzoco, the team did not let up. A highlight was when the team traveled to Martha's Vineyard. Leaving the school at 7:00 a.m., the team was ready for an exciting day on the island. Although the team did not pull out a win, they played one of their best games of the season. Full of spirit and hype, the team entertained many by singing and dancing on the ferry trip home. The fun-filled day will definitely be remembered by the team. Eight seniors are graduating, including Captains Nikki Muradian and Jennifer Ferzoco, Diane Gomes, Kelly Reis, Erica Stone, Kelly Barris, Heather Pane, and Meridith Finer. These seniors will be greatly missed, especially for their dedication and hard work. The team would like to thank Coach Mark, Coach Blye, and Coach Gallivan for their dedication and commitment to the team. From the first dreadful day of pre-season to the final whistle, the Black Knight Field Hockey team defined the true meaning of a team.

Sport takes Endurance, Training, Dedication.

Cross Country running is a sport which many feel is tough to compete in. But there are those few individuals who are loyal and dedicated to the sport. Working all season to improve their endurance and establish fast times, many students contributed to Stoughton High School's productive season. Stoughton High's golf team was young, but showed improvement by leaps and bounds from the year before. They had great showings against some of the top teams in the state and held their own against Hockomock League opponents. They improved in many ways, such as when they played Oliver Ames early in the season. The team was led by senior captain **Matt Bown** and junior **Ronnie Grimes**, both of which played well in Hockomock League matches against difficult opponents and had good showings in the Hockomock League individual tournaments. It was also studded with promising sophomores **Mark Harmon** and **Jameson MacDonnell** both in tight matches against some of the best players in the state. Other notable golfers were juniors **Jeff Ford**, **Jeff Rodriguez**, and **Andy Hudson** who won important matches at the four and five spots. **Adam Cohen**, **Sean Bown**, **Anthony Rotella**, **Josh Levine**, and **Mike Callahan** all contributed good play throughout the year. This season had some very promising moments. Some included the victory over Sharon. This catapulted the team into some close matches with Oliver Ames and the top rated Franklin team. In the Franklin match, sophomore **Jameson MacDonnell** played very well against **Adam Carlucci** who was a perennial Hockomock League All-Star for four years. **MacDonnell** also went on to win the Golf All-Star award at the Fall Sports ceremonies. **Matt Bown** had many victories at the three spot and contributed valuable leadership when times were tough. He went on to win the Sportsmanship Award. **Ronnie Grimes** was the low in at the Hockomock Individual Tournament for the Stoughton squad. **Grimes** went on to play at the state tournament and showed what is to come for Stoughton High. Coach **Paul Jacobs** was very pleased with everyone's performance this year, but he hopes that the team will improve to become one of the top teams in the conference.

Keeping Our Balance

Girls Gymnastics Team "Chalks It Up" to a Fun Season

Another gymnastics season, coached by Lisa Walsh and Rachel Kaplan, has gone by. Although Captains Alison Last and Kaitlin Britton did not lead the SHS Gymnastics Team to any victories, they helped make their teammates enthusiastic about the '99-'00 season. They showed the underclassmen what is expected of a varsity gymnast while competing on floor, vault, and balance beam. Alison Last received the Sportsmanship Award and Kaitlin Britton was voted as the MVP. Whether creating obstacle courses during practice or taking the team out for pizza, the captains did a good job entertaining the team. A few promising freshmen joined the team this year: Hannah Lysak added great performances to the meets with her floor and balance beam routines as well as her straddle on vault. Megan McConnell and Diana Vasilyeva. showed their skills on the uneven bars Nicole Harkins scored well on the balance beam. Sophomores Jennifer and Jessica Freitas, Jennifer Monaco, and Jade Mason also competed this season. Next season's team will be lead by Captains Jennifer Monaco and Jade Mason.

Slam Dunk!

The Boys Varsity Basketball team showed its competitive spirit, executing smart strategies to win some close games. Under the leadership of Coach Douglas and Seniors Danny Roachford, Eric Anderson, Keith Motley, Junior Teixeira, Matt Hrenko, and Joe Baker. The Knights held strong under pressure, and came up with big offensive and defensive plays. Mentally and physically, the team proved it was up to every challenge. With a record of 10-10, The Lady Black Knights finished a successful season with a difficult quarterfinal loss to Braintree. The team was led by Senior tri-captains Magda Nowakowska, Sarah Zaslaw, and Melanie Whittaker. The three girls were the young team's backbone. This leadership, and natural skill, the season started strongly. Although suffering a loss in their first game, the team pulled together, and came alive. A milestone of the season was when Junior Charmaine Steele scored her thousandth point of her high school career. She was also a Hockomock All-Star and team MVP. The team is looking forward to another successful season next year. The team would like to thank all the Seniors, and Coach Janet Sullivan for the wonderful coaching she did throughout the long, competitive season.

With a league record of 3-6-1 and an overall record of 4-13-3, the Black Knight ice hockey team had a tough but hard-working season. Senior captain **Matt Bown** and Junior captains **Shawn Ireland** and **Mark Osborne** led the team. Even in defeat, they kept their spirits up, and worked hard from the very end of November all the way until February vacation, never giving up. "although we didn't pick up many wins, this was the hardest working Black Knight hockey team I have played on," says **Mark Osborne**. With 20 goals, sophomore **Greg Osborne** was the leading scorer of the team. The team is graduating thirteen Seniors: **Matt Bown**, **Anthony Cabral**, **Jon Saval**, **Brett Elms**, **Jimmy Cheever**, **Paul Landry**, **Kevin Bento**, **Mike Ozog**, **Kristin Suslowicz**, **Matt Foley**, **Mike McLaughlin**, **Richie Bennett**, and **Mike Piechocki**. Cheering Us On!

Cheerleaders Lead the Stoughton Crowd With Spirit, Skill

Like other sports around Stoughton High School, cheerleading combines a squad, competition, and all types of feats of skill. Stoughton High's cheerleaders packed in special events in addition to a busy schedule of practice, gymnastics, and cheering at all sorts of sporting events. The Cheerleaders hosted an all-day clinic for 50 younger girls potentially interested in becoming a high school cheerleader. Also, their sport took two cheerleaders, Suzanne Gabrielle and Kimberly Tobias, all the way to London on New Year's Day for the Universal Cheerleaders Association All Star Cheerleading Team. They were chosen out of 1,000 cheerleaders after trying out at the UCA Camp last summer. Clearly, Stoughton High School's Cheerleaders are a special group of girls.

And so, it is almost time to come to the end of our book. Before it ends, however, we thought you'd like to see how time has treated the Seniors since they were born way back in 1982 or 1983. Also, we can't forget our Yearbook dedication that acknowledges the time our honorees have spent with us, or the people that organize our time at Stoughton High, the Administration.

Dear Members of the Class of 2000:

As Superintendent of Schools, I want to take this opportunity to congratulate the members of the Class of 2000 upon the successful completion of your Stoughton Public Schools career.

I would be remiss if I did not thank your teachers and parents. Their tireless efforts played a very important role in your success.

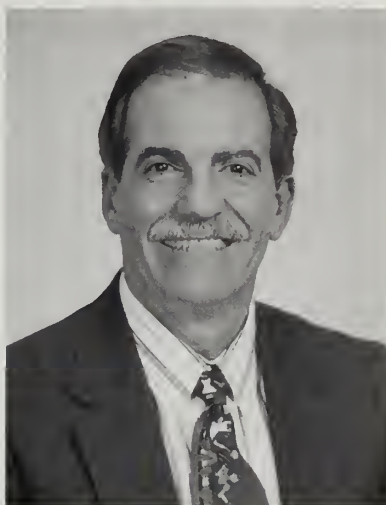

This class has distinguished itself in all areas of our school program, e.g. academics, athletics and co-curricula activities. I can't think of a more deserving group of outstanding individuals to lead us into the new millennium.

In closing, I wish the members of the Class of 2000 happiness, health and success in all of your future endeavors.

Just when you thought we were just getting started...

We're almost out of time

Well, another year has come and gone here at Stoughton High School, and we hope we've proven it was anything but typical. Is this the end of our story? Absolutely not! Whether it's the students returning next year to make their mark, or our Seniors who boldly storm out to conquer the world, Stoughton High School students have plenty of chapters left to write. We at the Yearbook hope you've enjoyed our documentation of this step of our journey.

Yearbook Dedication

History and Social Science Department

Mr. Tucker's "mad notes" never seem to cease,
Even when he's talking about his experiences
in Greece.

Ms. Berman's anecdotes give her lectures a
touch of spice,
She never wears the same outfit twice.

Mr. Keppel talks about Minnesota schools,
Starting at 9:00 is such a good rule.

Mr. B, "You're the man,"
Everyone is your #1 fan.

Mr. Gallivan teaches on and off the court,
He makes teasing kids a sport.

Mr. McCormick gives high fives and dope
slaps,
Because of his comedic style, no one ever
naps.

Mr. Tosca is known for his hats and crazy
antics,
His sense of humor makes his kids frantic.

Dr. Hylander gives tips on dating,
Are his stories true? We're still debating!

Mr. Flynn fought in the Vietnam War,
To diversity and individuality, he opens his
door.

Ms. Manchester is known for her long braid,
Our memories of her will never fade.

Ms. Levine is a track star,
In the Social Studies Department, she will
go far.

Ms. Reichgott is our Yearbook savior,
She gives kids sessions for bad behavior.

Off of B-3rd he's in his office, talking to his
G3,
He rasps, he coughs, he laughs, he talks, he
is Dr. D.

A communist, a socialist...you can decide.
He'll pass out all your pretzels as you sit
there and sigh.

Gus and Sophie sure love his squinty face,
As head of the Social Studies Department,
he can never be replaced!

Can you match the
teacher with their com-
mon quotes or phrases?

"Be prepared for a brief expression
of knowledge."

"Here's 35 cents..."

"If you're not careful, you might
learn something!"

"I was bad in high school, now I
have to spend the rest of my life
here."

"You need to come and see me after
class."

"Bang!"

"Just one more slide."

"Mad notes."

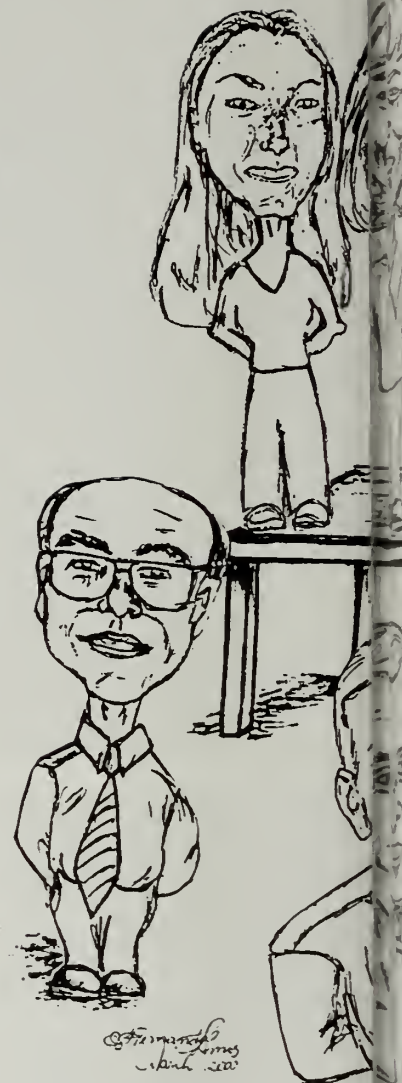

"Let me think about it...No. Please?
Well, since you've put it that
way...No."

"Moderation is the key!"

"Stop global whining."

"Ahhh...No."

"The only way I'll allow you to put
you head on your desk is if you're
dead!"

Life has loveliness to sell,

All beautiful and splendid things,

Blue waves whitened on a cliff,

Soaring fire that sways and sings,

And children's faces looking up,

Holding wonder like a cup.

Life has loveliness to sell,

Music like a curve of gold,

Scent of pine trees in the rain,

Eyes that love you, arms that hold,

And for your spirit's still delight,

Holy thoughts that star the night.

Spend all you have for loveliness,

Buy it and never count the cost;

For one white singing hour of peace,

Count many a year of strife well lost,

And for a breath of ecstasy

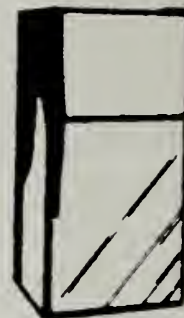

Give all you have been, or could be.

DEDICATION

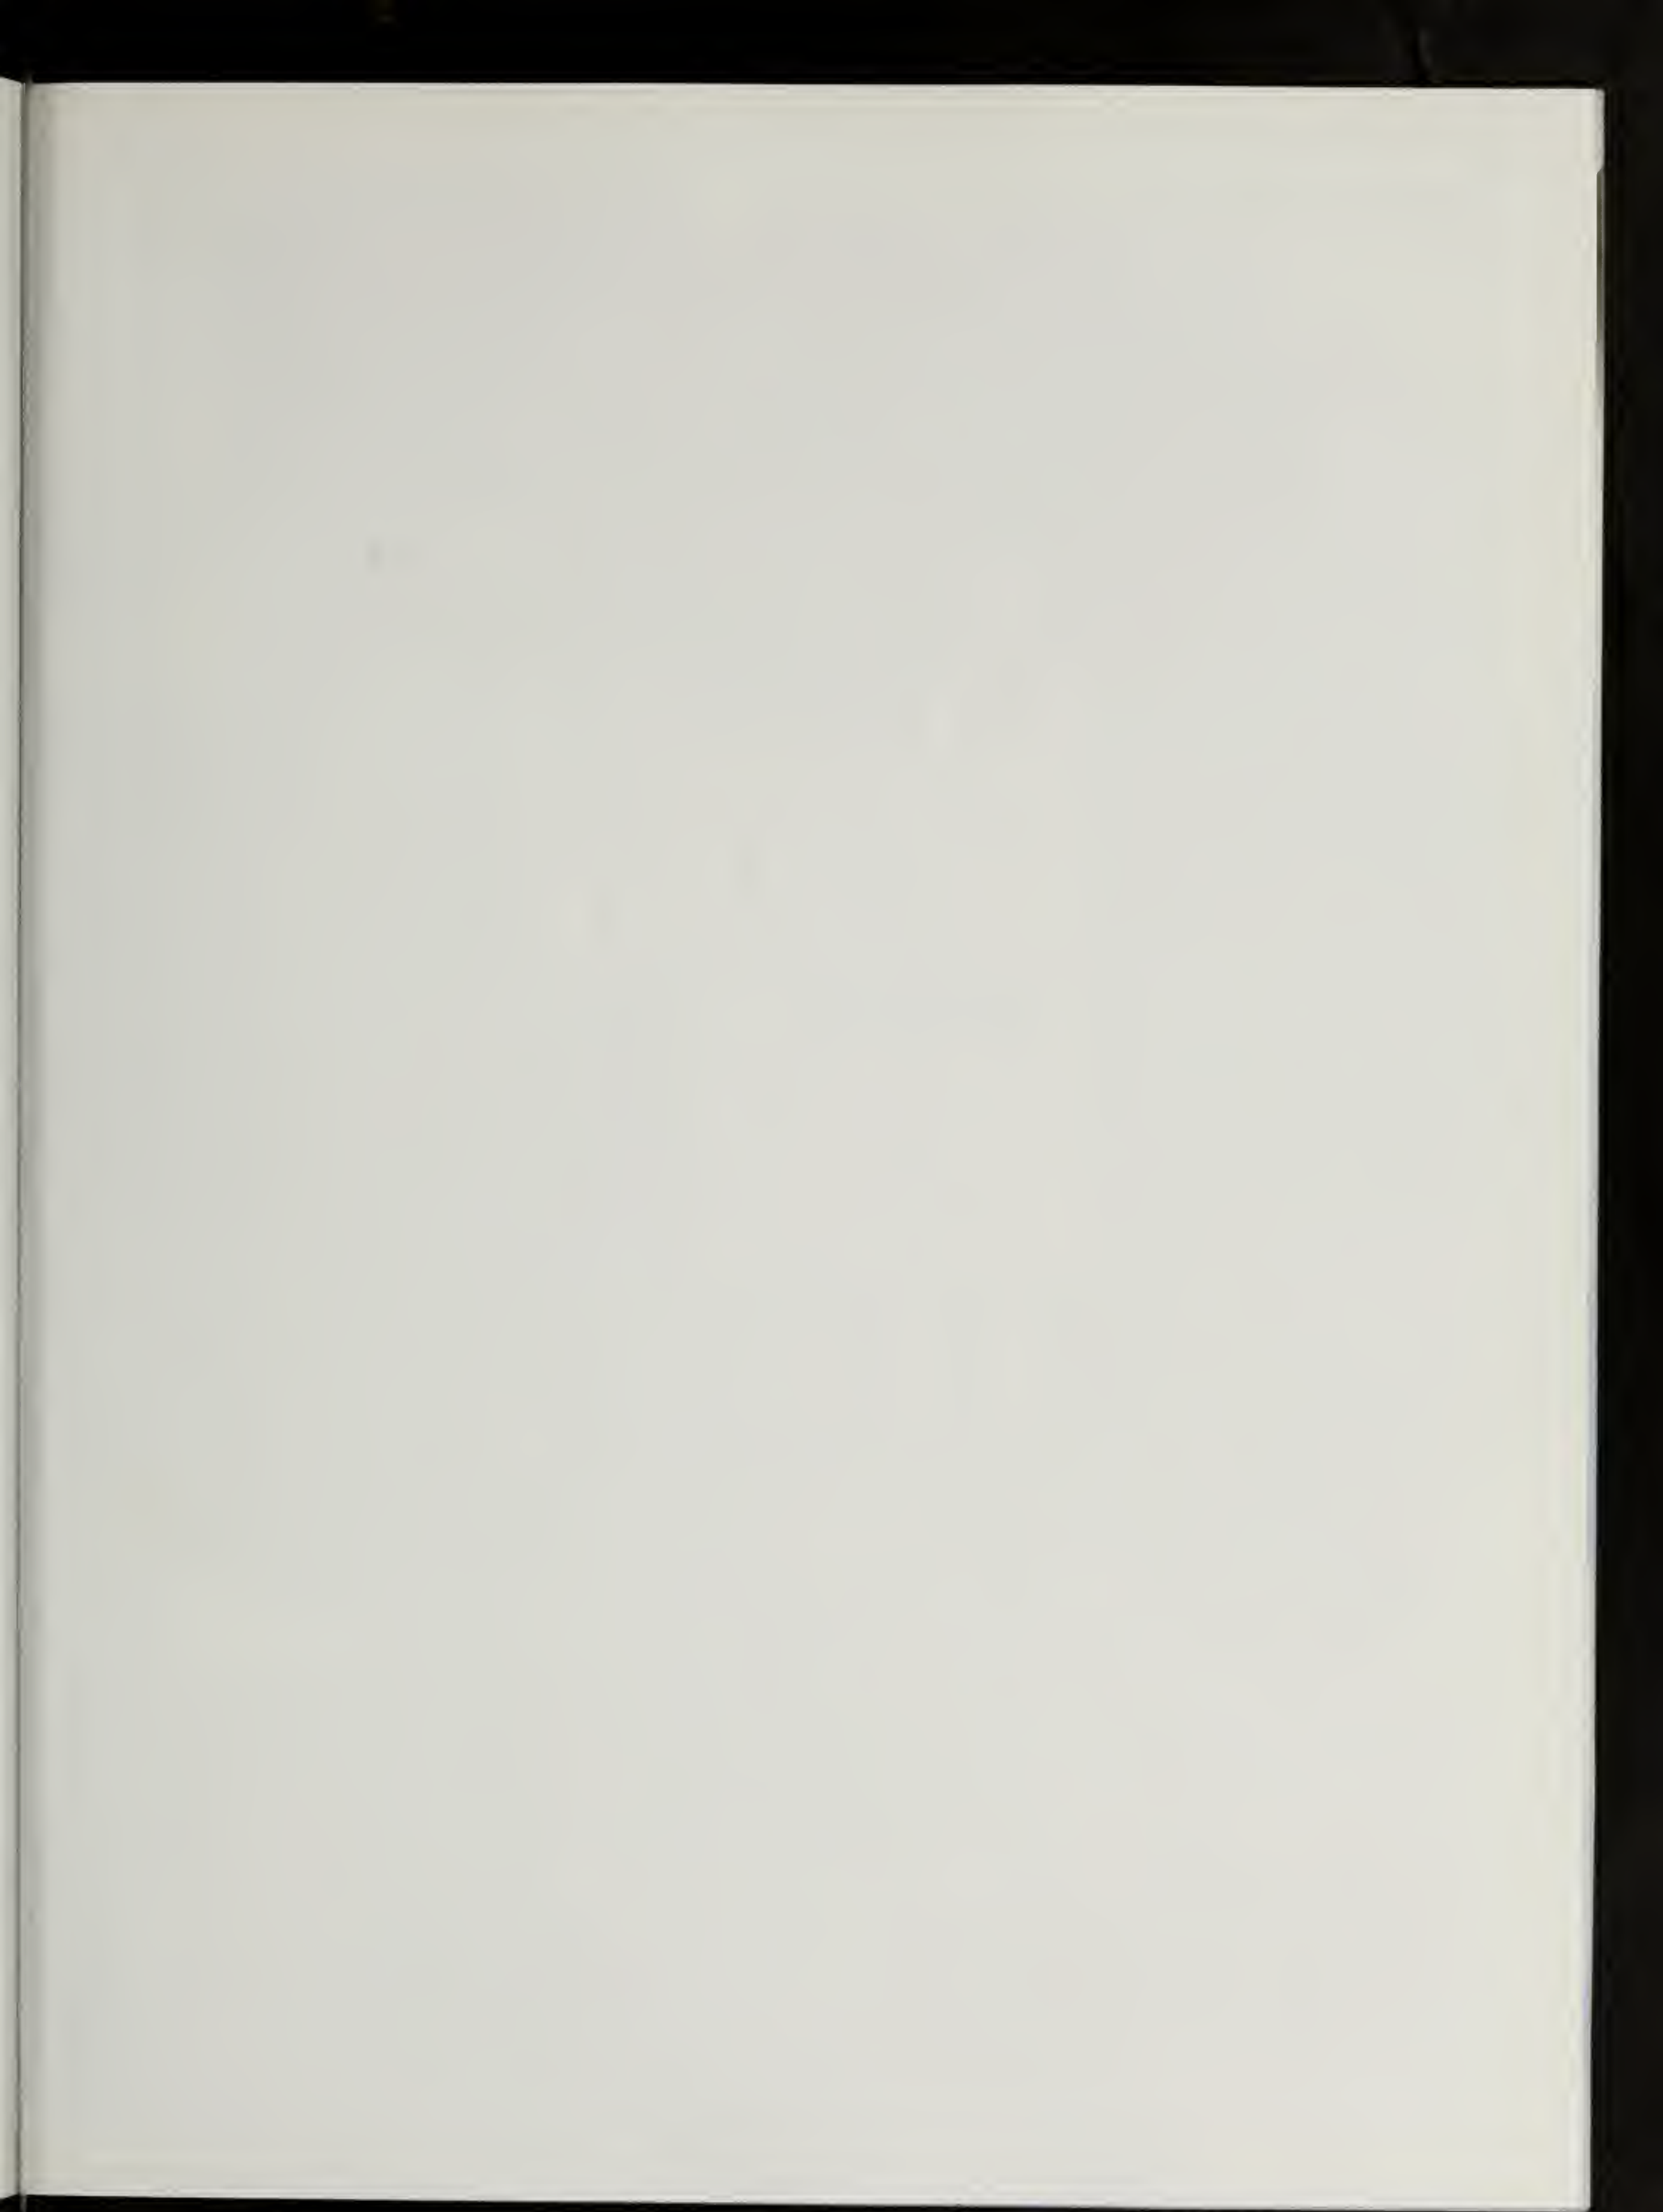

Ms. Reichgott has made a name for herself at Stoughton High School not only for her remarkable teaching, but also because of her generous devotion to the Stotonian Yearbook. As the new advisor, she has significantly improved the yearbook by adding more pages, including all grades, and reducing the cost. She has also organized creative fundraisers to help raise money for next year's book.

Ms. Reichgott has put in a great deal of time and effort into producing a successful yearbook. For months, she walked around our school with her digital camera taking snapshots and spent her nights in Room B303 working to complete the book. The Yearbook Staff, faculty, and student body would like to give a special thanks to Ms. Reichgott for her exceptional contribution to Stoughton High School.

*Sincerely,
Yearbook Editors
